Taking of Refuge and generating of Bodhicitta

To the source of the three Jewels and the three Roots

I pay my respect and take refuge.

To establish all beings in Buddhahood,
I awaken a mind of supreme enlightenment
and arises Bodhicitta. (Recite 3 times)

Praise

Turning the wheel of the dharma in the blissful Sukavati

Viewing the innate nature of sentient beings with eternal compassion

Vow to salvage and protect all sentient beings

I prostrate to the equipoise of the limitless light (Amitabha)

Heart Mantra

OM AMI DEWA HRIH

(Recite as many times as possible)

Dedications

May I swiftly achieve this attainment

And accomplish the siddhi of Amitabha

May all the countless sentient beings

Be placed upon that exalted state !

May I and all sentient beings as vast as space.

Accomplished the 2 accumulations of wisdom and merits.

Be free from mental obscurations

and swiftly attain the premodial Buddhahood
